Hi all. I just got released because I'm not available for a 5 to 7 day trial. I have to come back in late June. I am heading back to the office and would like to be on this call. I don't have cell service because of new iPhone. Could I let you know when I'm in my seat. Will probably be about 930. If you can't change, no worries go ahead

Im OK with either a 9 or 9:30 start time. However Leron , already has another call scheduled at 9:30. I think if cd13 is available for 930, we can proceed.
